## Emulator :

Emulator is like "Shopping cart". You can put the course you are interested in first before the official course registration (Emulator is for planning use only, there will be no schedule conflict/restriction check)

## Regist course :

Regist course is like "Checkout". You need to add courses to your "regist list". You may not be able to register a course if it conflicts with another course. If you see "Limited", it means you are currently not eligible for the course registration. Please contact the Dept. offering the course for further information and assistance.

The screenshot displays the course registration interface. On the left, a course detail panel for 'A730 Physiology' is shown. A red box highlights the 'Remove from my wishlist' button. Below it, a list of courses in the wishlist is shown, with a red box highlighting the 'x' icon next to 'B190 Global Mental Health'. A red arrow points from this 'x' icon to the 'Remove from my wishlist' button. A blue box highlights the entire course list area, and a blue circle with the number '5' is placed next to it. On the right, a class schedule grid is shown with columns for days of the week (MON, TUE, WED, THU, FRI, SAT, SUN) and rows for sections (Y, Z, 1, 2, 3, N, 5, 6, 7, 8). The grid shows 'Physiology' in sections 1 and 2, and 'Table Tennis' in sections 3 and 8. 'Global Mental Health' is shown in section 5, and 'Strategic Perspectives in Nonprofit' is shown in section 6.
