

國際教授卓越教學(DVP)補助計畫

Distinguished Visiting Professorship (DVP) Subsidy Program

一、 依據 Basis

2018年起國立陽明交通大學即開始推動「國際教授卓越教學計畫」(Distinguished Visiting Professorship Program, DVP)，以大一基礎科學學科(含物理、數學、化學、生物)做為開端，邀請美國或英語系國家博雅教學型學院(Liberal Art College)及其他優秀教授至本校實體開設至少1學期完整課程。

本計畫現獲華仁全球講座支持，擴大補助除基礎科學學科外之電腦科學、人工智慧、人文等領域，期透過英語系國家教師不同的教學新思維與策略，以及完整一學期的專業領域全英語教學，來激發大一學生的學習動機和興趣，充實學生的國際化學習經驗。

The Distinguished Visiting Professorship Program (DVP) supported by the H&J Global Chair was launched in 2018. DVP program invites distinguished professors from liberal arts colleges in the United States or English-speaking countries to offer a complete semester-long course at NYCU. The program initially focused on foundational sciences (including physics, mathematics, chemistry, and biology) and then expanded to other professional fields, such as computer science, artificial intelligence, humanities, and so on. We hope to enrich students' international learning experiences through an entire semester of specialized subject instruction in English.

二、 補助資格 Qualifications

本校各院系邀請教師前請先提供教師簡歷與教學獲獎資料予教務處，先確認教師身分確實符合「國際教授卓越教學計畫」—以美國或英語系國家的博雅教學型學院(Liberal Art College)或教學相關獎項之優秀教授為基準。

配合學期系所暨校級課程審核時程，申請國際教授卓越教學計畫(DVP)華仁全球講座補助計畫需先撰寫申請書，並含講者履歷、重要教學成效/獎項、系所聘任其授課簡要規劃等。並需符合課程「至少完整一學期」、「實體授課」、「多數大一新生可修」等基準，經教務處核實確認後將提供補助。

教務處確認補助後，回由系所或教學小組與教師進行後續洽談與簽約。課程規劃，包含課程內容、教學方式、成效評鑑等，由系所或教學小組及負責教師與邀請講員共同規劃。該授課學期末，系所與負責教師需向教務處提報整體教學成效與使用經費，以向華仁全球講座報告並辦理結案(若華仁全球講座委員於學期中提出審閱補助課

程相關佐證資料，亦需請系所配合提供)。

The college or department that applies to the DVP program should provide the professor's bio and specific teaching award information to the Academic Affairs Office to verify the professor's eligibility based on the requirements of the DVP program before inviting. The DVP criteria involve the invitees being outstanding professors with relevant teaching awards from Liberal Arts Colleges in the United States or English-speaking countries.

To align with the compact department, college, and university-level course review schedules of NYCU, the college/department is suggested to prepare the DVP application form, including the bio, significant teaching achievements/awards, brief course, and expense plan to apply for this DVP program. If the courses did not meet the criteria of "a complete semester-long course," "physical teaching at NYCU," and "suitable for nearly all first-year students", the subsidies will not be granted.

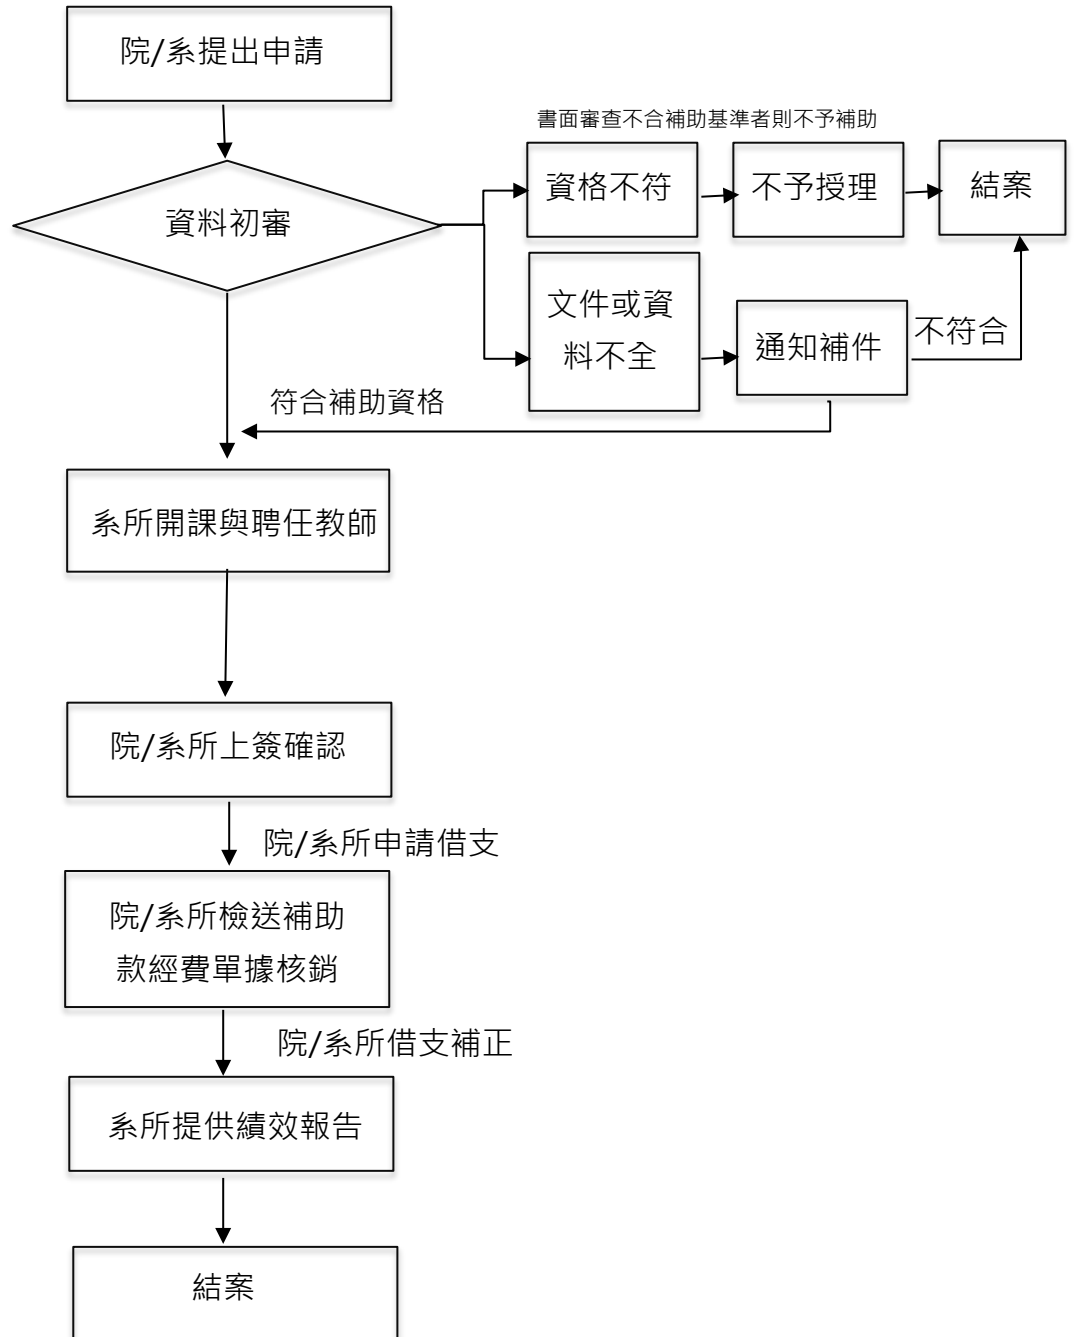

It is suggested that departments (teaching teams) and invitees continue progressing with the NYCU contracts and course discussions upon confirmation of subsidies. All course planning is suggested to be developed by departments (or teaching teams or instructors in charge) and the invited professors. At the end of the semester, the departments must submit a course report to the Academic Affairs Office to respond to the H&J Global Chair Committee on the overall teaching effectiveness and fund utilization. If the H&J Global Chair Committee requests more supporting documentation about the subsidized courses, departments must provide them.

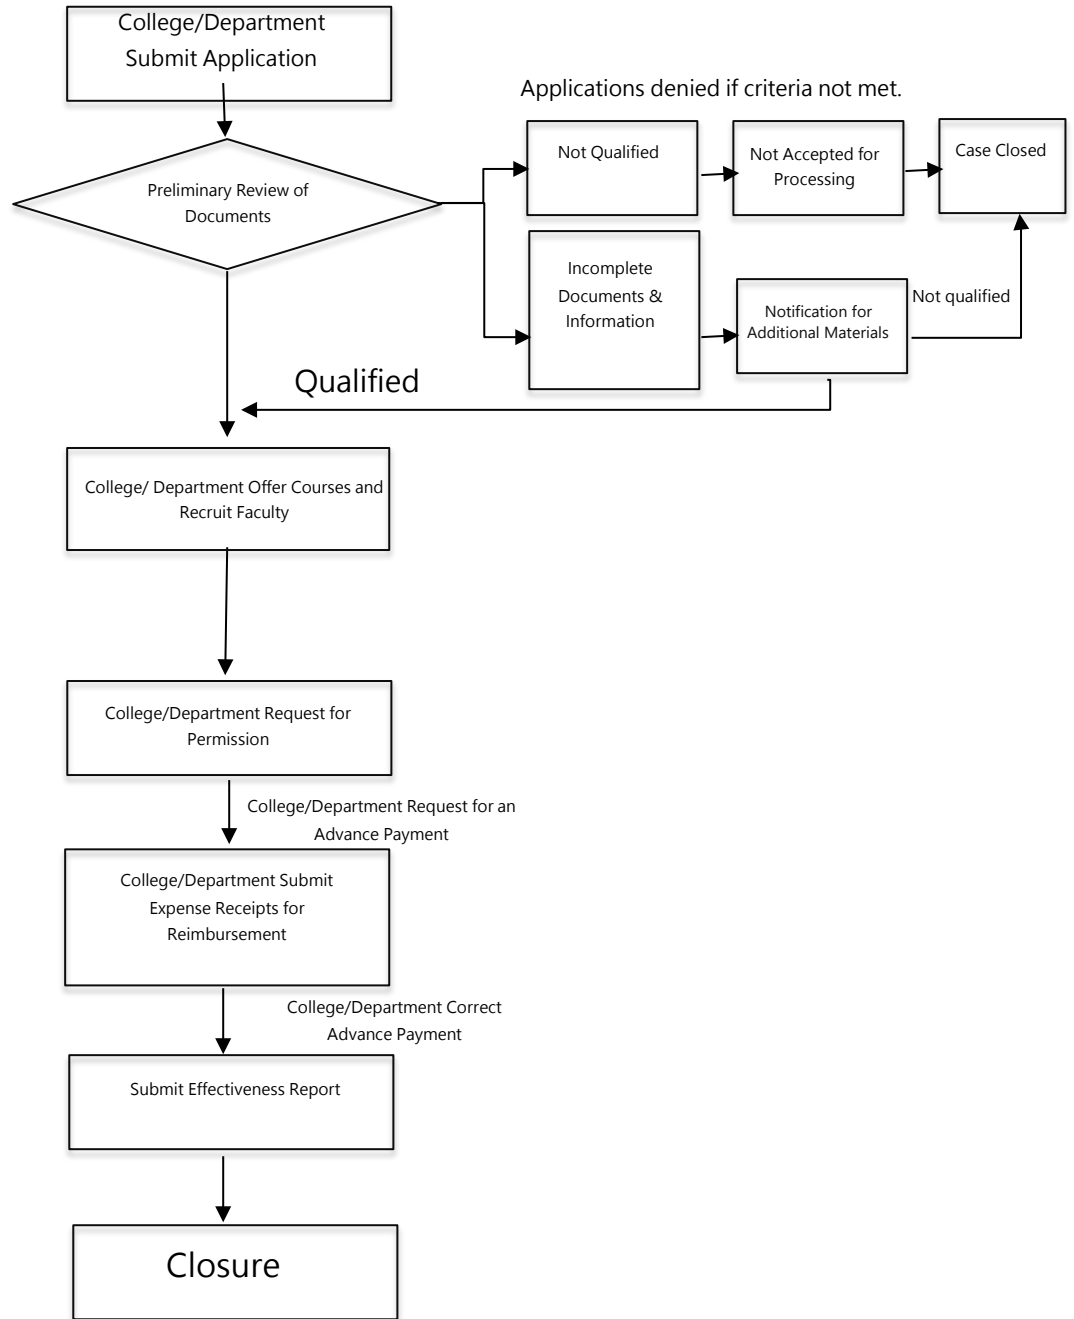

三、 補助範圍 Subsidy Scope

來台授課教師每學期每門課程 100 萬元經費為上限；經費涵蓋項目需符合本校主計室相關規定，並以教師薪資之人事費，以及經濟艙機票、勞健保補充保費、學校招待所住宿等業務費為基準，無設備費用補助。

The maximum subsidy for each course taught by visiting instructors in Taiwan is NT\$1,000,000 per semester. The expenses must comply with the relevant regulations of NYCU's Accounting Office, covering the instructor's salary (including accommodation), labor and health insurance supplementary premiums to the government, one return economy class airfare, and course-related expenses (such as teaching assistant fees and course materials). Notably, equipment expenses are not eligible for reimbursement.
